**Important Tax Information**

We have presented this information based on our understanding of tax law. You may wish to consult with a tax or legal advisor because neither we nor our representatives can provide tax or legal advice.  
If your cash contribution exceeds certain limits and your Group Universal Life Certificate coverage becomes a modified endowment contract (MEC), as determined by the IRS, different tax rules, and in some cases penalties, apply for lifetime distributions, such as loans, withdrawals, and assignments. A MEC can result from premium payments or from a reduction in coverage (such as the purchase of paid-up life insurance). If this applies to you, Prudential will notify you in writing of your status and advise you of your current options, if any, and by when you must respond.
